Automated Export System (AES) Compliance Seminar

Qualified for 7 Certified Export Specialist (CES) Credits

May 4, 2016
8:00 AM - 5:00 PM

What will be presented?

These one-day seminars provide the latest information on export filing requirements. Experts from the Department of Commerce and Customs and Border Protection discuss topics such as:

- Mandatory export filing requirements
- How to avoid common penalties and seizure of cargo
- Bureau of Industry and Security (BIS) export control requirements
- How to classify your product by Schedule B number and Export Control Classification Numbers (ECCN)
- Best practices for maintaining compliance with export regulations
- The New AESDirect in the Automated Commercial Enviroment (ACE)

Who Should Attend?

This dynamic seminar will provide valuable information to all involved in exporting such as:

- Manufacturers
- Suppliers
- Order Parties
- Freight Forwarders
- Exporting Carriers
- Consolidators
- Compliance Software Providers
