RESIDENTIAL & NONRESIDENTIAL HISTORIC DATA

ORDERING INFORMATION PACKAGE

***Residential Construction Branch
Manufacturing and Construction Division
U.S. Census Bureau
Washington, D.C. 20233-6900***

SUBJECT-MATTER

Data files for privately-owned construction authorized by building permits are available for the following series:

- Residential and Nonresidential construction for new buildings
- Additions, alterations, and conversions
- Demolitions

These data are offered within two types of data products:

PRODUCT A (page 2):

Residential and nonresidential construction for: new buildings; additions, alterations, and conversions; and demolitions.

PRODUCT B (page 4):

Additions, alterations, and conversions for residential buildings only (from January 2002- March 2006)

Each product is available on CD-ROM for purchase. Follow instructions in this package for how to order.

BUILDING PERMIT SAMPLE FILES AND DOCUMENTATION ARE AVAILABLE ON THE INTERNET
AT THE FOLLOWING LOCATION: <http://www.census.gov/construction/sample.html>

*Questions concerning the subject matter or about ordering data files should be directed to: **Residential Construction Branch, Manufacturing and Construction Division, U.S. Census Bureau, Washington, D.C. 20233-6900.**
Phone: (301) 763-5160.*

PRODUCT DETAIL AND AVAILABILITY

PRODUCT A - Residential and nonresidential construction for: new buildings; additions, alterations, and conversions; and demolitions

- ❖ These data are available as ASCII, comma-delimited files and are placed on a CD-ROM for purchase for **\$50**.
- ❖ The data files in this product contain data for:
 - New residential buildings (including hotels/motels)
 - Nonresidential buildings (such as office buildings, hospitals, etc.)
 - Parking garages (residential and nonresidential)
 - Additions, alterations, and conversions (residential and nonresidential)
 - Demolitions

Depending on the category, data shown are:

- number of buildings
- number of units
- permit valuation

Residential and demolition data are shown by type of structure (i.e., 1, 2, 3-4, or 5 units or more).

- ❖ Data are tabulated by State, Metropolitan Area (MA), and Permit-Issuing Place.

Data by State

The ASCII files show aggregated totals for each state, Puerto Rico and the Virgin Islands. Totals (excluding Puerto Rico and the Virgin Islands) are also shown for divisions, regions, inside and outside metropolitan areas, and the United States.

Note: Files do not show Puerto Rico and the Virgin Islands or aggregate totals for inside and outside metropolitan areas.

Data by Metropolitan Area

The ASCII files show aggregated totals for metropolitan statistical areas (MSAs), consolidated metropolitan statistical areas (CMSAs), and the CMSA's component primary metropolitan statistical areas (PMSAs).

Data by Permit-Issuing Place

ASCII files are sorted by the four U.S. regions (Northeast, Midwest, South, and West). Data are included for the permit issuing places within the region, sorted by state and place. County and state totals are not included on the diskette. Monthly data are shown for the places that are requested to report monthly. Annual data are shown for all permit-issuing places in the region.

❖ The following table shows the dates of availability:

Data Series	Available Dates	
-State -Metropolitan Area	Monthly	January 1988- December 1995
-Place-Level	Annually	1980 - 1994

➤ Proceed to the order form on page 5 to order **PRODUCT A**.

PRODUCT B - Additions, alterations, and conversions for residential buildings
(from January 2002- March 2006)

- ❖ These data are available as ASCII, comma-delimited files and are placed on a CD-ROM for purchase for **\$50**.
- ❖ The data files in this product contain data for new residential buildings only. Data are available only for individual permit-issuing places and show the number of permits issued and the permit value on residential properties.
- ❖ The following table shows the dates of availability:

Data Series	Available Dates	
-Place-Level	Monthly	January 2002 - March 2006
	Annually	2002 - 2005

Each file displays data for all permit-issues places within the U.S. The files are cumulative, in which they contain multiple months within the same year. The annual files display January – December data (where available) and an annual record.

- Proceed to the order form on page 5 to order **PRODUCT B**.

Privacy Act Statement

The collection of your personal information for purchasing residential construction statistics data files and reports is authorized under Title 5 of the United States Code (U.S.C.), Section 301; Title 13, Section 8(b); Title 31 U.S.C., Section 9701; and Title 44 U.S.C., Section 3101.

The purpose of collecting this information is to assist the Census Bureau in processing your requests for data and reports from the Building Permits Survey (BPS) and/or the Survey of Construction (SOC). Information collected from you may include your name, personal address, phone number, e-mail address, and payment information. If you request data to be sent via FedEx, your FedEx routing number will also be kept on file.

Disclosure of this information is permitted under the Privacy Act of 1974 (Title 5 U.S.C., Section 552a) to be shared among Census Bureau staff for work-related purposes. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notices COMMERCE/DEPT-2, "Accounts Receivables" and COMMERCE/DEPT-19, "Department Mailing List".

Providing your information is voluntary. Failure to provide the information may affect the Census Bureau's ability to process payment information required to fulfill your request or to contact you about future data releases.
