Updated Port of Export Codes in the Automated Export System (AES)

The following Port of Export Codes have been updated to allow for **Air** as the Mode of Transportation. The codes now allow for both Vessel and Air modes of transport.

<u>Port of Export</u>	<u>Description</u>	<u>Modes of Transportation Allowed</u>
2101	Port Arthur, TX	Vessel, Air
2102	Sabine, TX	Vessel, Air
2103	Orange, TX	Vessel, Air
2104	Beaumont, TX	Vessel, Air

All AESPcLink users must update their AES code tables to reflect the update to the Ports of Export. Users of AESDirect who file via the website at www.aesdirect.gov will have their code tables updated via the program automatically.

For further information or questions, contact the U.S. Census Bureau's AES Branch.

Telephone: (800) 549-0595, select option 1 for AES
