

**AES Downtime Policy Has Been Deactivated**

*U.S. Census Bureau sent this bulletin at 02/08/2013 06:34 PM EST*

[AES Downtime Policy Has Been Deactivated](#)

This message is intended for all AES filers.

The AES outage has been resolved. At this time, all Electronic Export Information (EEI) for shipments that were exported under the AES Downtime Policy must be filed along with any new AES transactions to receive an ITN.

For further information or questions, contact the U.S. Census Bureau's AES Branch.

Telephone: (800) 549-0595, select option 1 for AES
