Note: Data are based on the North American Industry Classification System (NAICS). Data are not adjusted for price changes. Data are representative of employer firms only, with the exception of data from the Annual Retail Trade Survey that includes estimated nonemployer data. These statistics are estimated from sample surveys and are subject to sampling variability, as well as nonsampling error. Information on survey methodology can be found in the technical documentation section of the respective survey's source webpage: [2021 Annual Survey of Manufactures \(ASM\)](#), [2021 Annual Wholesale Trade Survey \(AWTS\)](#), [2021 Annual Retail Trade Survey \(ARTS\)](#), and the [2021 Service Annual Survey \(SAS\)](#). Measures of error can be found in the data tables of the appropriate survey: [ASM](#), [AWTS](#), [ARTS](#), and [SAS](#).
