

# Top Annual Exports Through Ports Along the Texas Gulf Coast: 2023<sup>1</sup>

M = Millions

<sup>1</sup>Export categories correspond to 2-digit Harmonized System (HS) codes with more than 2 billion dollars of annual export value.

Note: Percentage of U.S. exports along the Texas Gulf Coast indicates what percentage of American exports of that product leave through the following ports: Port Arthur, Sabine, Beaumont, Houston, Texas City, Galveston, Freeport, Corpus Christi, and Port Lavaca. More information at [www.census.gov/supplychain](http://www.census.gov/supplychain).
