

Figure CH-7

Presence of parents for children living in the home of a grandparent

Percent of all children

Source: U.S. Census Bureau, Current Population Survey, Annual Social and Economic Supplements, 1990 to 2014.

Note: Direct identification of both parents began in 2007, resulting in the ability to identify children living with 2 unmarried parents. To derive data for years after 2014, see information on grandparent householders in detailed Table C4 for the year(s) of interest.
