

2018 Census Test—Informed Delivery[®] With the U.S. Postal Service[®]

Informed Delivery notifications make it even easier to respond to the 2018 Census Test.

The U.S. Census Bureau and the U.S. Postal Service are collaborating to provide Providence County, R.I., with an easy, safe way to respond to the 2018 Census Test anytime, anywhere.

When your digital preview of the 2018 Census Test mailing arrives through the Postal Service's Informed Delivery feature, click on the "Respond Now" image to immediately respond to the 2018 Census Test.

What is Informed Delivery?

The U.S. Postal Service is enhancing the mail experience with Informed Delivery—an optional notification feature that provides eligible residential consumers nationwide with a daily digital preview of their household's mail.

Participating consumers can preview grayscale images of the outside of their household's letter-sized mailpieces that will be arriving soon. Mailpiece images are available via e-mail notification, online dashboard, or mobile app.
