

# Services Continue to Climb

One Year Percent Change in Revenue for Selected Service Sectors

*Note: There are a few service industries excluded from the survey, including government owned utilities; rail transportation; the Postal Service; funds, trusts and other financial vehicles; elementary and secondary schools; junior colleges; colleges, universities and professional schools; religious organizations; labor unions and similar organizations; political organizations and private households.*

*All percent changes in this graph have been tested and found to be statistically significant at the 90 percent confidence level. However, the rank ordering of the percent changes in this graph has not been tested for statistical significance.*
