Census
Bureau

Purpose

The U.S. Census Bureau is celebrating World Statistics Day 2020 by highlighting the data innovations that empower the world.

This toolkit includes promotional materials for partners to utilize on their social media channels to further promote the World Statistics Day 2020 campaign.

We look forward to celebrating this monumental day together.

Social Media Post Sample Messages

1. October 20, 2020 is #WorldStatisticsDay. Celebrate the impactful stats and innovative data solutions that drive decision-making with the @USCensusBureau. Explore #DataTools on the #WorldStatsDay page: census.gov/WSD2020 #StatsDay2020
