Recently, you completed a survey that asked about the children usually living or staying at this address. Thank you for taking the time to complete that survey.

We now have some follow-up questions to ask about:

If the child listed above is not correct or does not correspond to a child living in this household, please call 1-800-845-8241 for assistance. For Telephone Device for the Deaf (TDD) assistance, please call: 1-800-582-8330.

We have selected only one child per household in an effort to minimize the amount of time you will need to complete the follow-up questions.

The survey should be completed by a parent or adult caregiver who lives in this household and who is familiar with this child's health and health care.

Your participation is important. Thank you.
