HTML5, CSS and JavaScript fuels Responsive Design

In April of 2010 Steve Jobs, Apple CEO

"...the new open standards created in the mobile era, such as HTML5, will win on mobile devices..."

Does it have to be one or the other?

Project with Large Government Agency which provides services nationwide

HTML5 vs Native

THE SOLUTION

Customer with many devices HTML5

Supervisor have company issued Desktop PCs and iPads HTML5

Field workers have company issued Android Phones
