(1) This exhibit is not additive; countries may be included in more than one area grouping. See page 10 for a list of countries.

(2) Related-party indicators are not available for low value estimates and certain aggregated low value Canadian export transactions.

(3) Total values are the summation of statistical month values for domestic exports and re-exports and do not include annual revisions or adjustments for late receipts.

NOTE: This exhibit is compiled from detailed merchandise trade data. For information on definitions, nonsampling errors and other data limitations refer to the technical documentation on page 9, of this release or at www.census.gov/foreign-trade/Press-Release/related_party/index.html.
