Note 1: The data in this file are based on the 2012 and 2007 Economic Census. To maintain confidentiality, the Census Bureau suppresses data to protect the identity of any business or individual. The census results in this file contain sampling and nonsampling error. Data users who create their own estimates using data from this file should cite the Census Bureau as the source of the original data only. For the full technical documentation, see Survey Methodology link in headnote above.

Note 2: Railroad transportation and U.S. Postal Service are out of scope for the 2012 Economic Census. Large certificated passenger carriers are included in the 2012 data, not included in the 2007 data, affecting comparability for this industry.

Symbols:

D - Withheld to avoid disclosing data for individual companies; data are included in higher level totals

N - Not available or not comparable

For a complete list of all economic programs symbols, see the Symbols Glossary
