United States
Census
2000

Acknowledgments

This report was prepared under the direction of **Daniel H. Weinberg**, Chief, Housing and Household Economics Statistics Division (HHES) by **Dr. Weinberg** and **Dr. John Iceland**, Chief, Poverty and Health Statistics Branch, HHES, and with major assistance from **Erika Steinmetz**, a staff member of HHES.

A number of people within the Census Bureau made significant contributions to the preparation of this report. **Marie Pees**, Population Division, processed the census data files used for this report. **Paula Coupe**, **Jorge del Pinal**, **Samantha Friedman**, **Gerald Gates**, **Larry Long**, and **Charles Nelson** reviewed the contents.

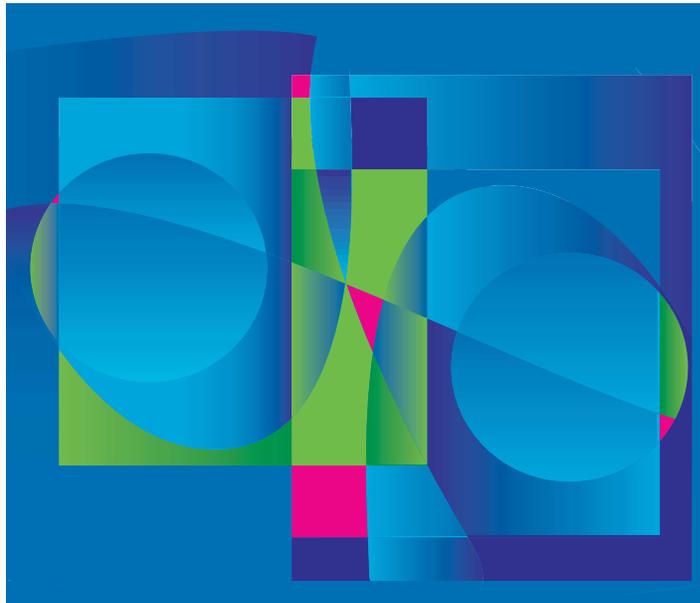

The authors wish to acknowledge the conceptual contributions of **Roderick Harrison**, formerly chief of the Racial Statistics Branch, Population Division, U.S. Census Bureau, in setting the stage for the current report. They also wish to acknowledge the technical assistance of **Scott Susin**, of HHES, and the mapping assistance of **Timothy Trainor**, **Constance Beard**, **Linda Orsini**, and **Gerald Coleman** of the Geography Division. **Patrick Cantwell** of the Decennial Statistical Studies Division provided guidance on statistical testing issues.

Greg Carroll, **Nelsa Brown**, **Jan Sweeney**, **Arlene Butler**, and **Gloria Davis** of the Administrative and Customer Services Division, **Walter C. Odom**, Chief, provided publications and printing management, graphics design and composition, and editorial review for print and electronic media. General direction and production management were provided by **Gary J. Lauffer**, Chief, Publications Services Branch.

Racial and Ethnic Residential Segregation in the United States: 1980-2000

Issued August 2002
