

A Message from the Director, U.S. Census Bureau:

Your firm has been selected to participate in the **Advance Monthly Retail Trade Survey**. The U.S. Census Bureau's mission is to serve as the leading source of quality data about the nation's people and economy. This survey produces one of the Census Bureau's many important economic measurements. Data from this survey provide business leaders and policymakers with an up-to-date picture of the nation's economic condition, and are a key element in estimating the quarterly Gross Domestic Product (GDP).

Please use the enclosed form as a worksheet prior to reporting online. Website and login information can be found on the front page of the form. Online reporting is easy, reduces costs, and decreases processing times. You may elect to return the completed form in the enclosed envelope instead of responding online. If you prefer to be contacted by email instead of mail, please update your preference in our online reporting instrument or contact a Census Bureau representative at the number below.

After reporting, we invite you to browse through the wealth of data available through the Census Bureau's website. Start by viewing this survey's results at: <https://www.census.gov/retail>.

YOUR RESPONSE WILL BE KEPT STRICTLY CONFIDENTIAL. Information about the authority, confidentiality, and burden of this data collection can be found on the back of this letter.

For assistance with completing this survey, please call our customer help line at 1-800-772-7852, Monday through Friday, 8:30 a.m. to 4:30 p.m. Eastern time.

Thank you in advance for your time and participation, and for helping the U.S. Census Bureau measure America's people and economy.

Sincerely,

Steven D. Dillingham
